President Message

Dear Colleagues & Friends,

It gives me immense pride to reach out to you as President of ISAR and to share the spirit with which our society continues to grow. ISAR has always stood on three pillars: scientific excellence, ethical practice, and collaborative progress. These core values guide every initiative we undertake, ensuring that we stay true to our mission of advancing reproductive medicine in India while upholding the highest global standards.

At its heart, ISAR is more than a professional body. It is a vibrant community of clinicians, embryologists, researchers, and allied professionals who believe that knowledge multiplies when shared. Our core aim has always been to foster continuous education, innovation, and inclusivity in the field of ART. From cutting-edge research dissemination to hands-on training and policy advocacy, ISAR strives to bridge the gap between science and society.

As we gather for the 10th Annual ISAR Embryology Conference at Indore, I encourage each one of you to reflect not just on the science we share, but on the responsibility we collectively shoulder. Together, let us reaffirm our commitment to evidence-based practice, mutual learning, and the pursuit of excellence that defines ISAR.

I warmly welcome you to join this journey of growth, ethics, and innovation as we shape the future of reproductive medicine in India.

Warm regards,

Dr. Ameet Patki
President ISAR

Welcome Message

Dear Friends & Colleagues,

Warm greetings from Central ISAR and MP Chapter of ISAR!

I am very excited to welcome you to the 10th Annual ISAR Embryology Conference in Indore, Madhya Pradesh, from September 12–14, 2025, at the Brilliant Convention Centre. Hosted by the MP Chapter, this year's theme, "CROSS CONNECT," is all about building a seamless clinician-embryologist partnership. With unique cross-training sessions, the conference is designed to enhance collaboration and optimize patient outcomes in ART.

Just as a theater brings a movie to life, attending a conference in person will make each moment and learning more impactful. Alongside cutting-edge workshops and renowned speakers, we've added team-building games to bring fresh energy and flavor to the conference. The conference also showcases a sprawling exhibit hall flaunting top global brands—all under one roof for an immersive experience.

Indore, known for its exceptional hospitality, vibrant heritage, and famous culinary delights, promises to be the perfect backdrop for this unforgettable event. On behalf of the entire organizing committee, I eagerly look forward to welcoming you!

Warm regards,

Dr. Asha Baxi & Dr. Charudutt Joshi
